

2016 ANNUAL REPORT

Sunshine Heroes
FOUNDATION

TO EMPOWER
EVERY
ONE
THROUGH
CLEAN WATER,
EDUCATION,
AND HEALTH.

Mission

Sunshine Heroes was founded in 2007 with the singular mission to improve the lives of children around the world. We believe that all children deserve the opportunity to learn, grow, and develop into the leaders of tomorrow. For this reason, Sunshine Heroes is focused on three core areas of development: clean water, health, and education. Our commitment to improving these core areas will lead to a brighter future and improved quality of life for those living in developing communities across the globe. We collaborate with other non-profits, international NGOs, local leaders, and field experts on the ground to ensure sustainable solutions that lead to long-term impact and positive change for current and future generations. Join us in spreading sunshine.

Clean Water

More than a billion people in the world still drink contaminated water, leading to disease and even death. Clean drinking water results in improved health, hygiene, and quality of life.

Education

Educated children will lead the thriving communities of tomorrow. Building safe environments for all children to learn and grow prepares them for a lifetime of learning and empowerment.

Health

Access to healthcare is essential to living a fuller, happier life. Providing basic care such as vaccines, vitamins, medical training, and doctor visits improves the lives of children and families around the world.

Inspired by Hope

Sunshine Heroes Foundation was first established in 2007 under the guiding vision of founders Travis & LaRee Hansen. For his professional basketball career, Travis moved his family to Russia in 2006 where he played for Dynamo Moscow. He and his wife felt the pressing need to give back and help children in the area, leading them to renovate a local health clinic and orphanage in Lyubertsy, while also funding several life-changing surgeries. As a result, Sunshine Heroes was formed in 2007. One decade later, Sunshine Heroes Foundation continues to expand its global impact and help children in need. But our story is just getting started.

Founding Sponsor

NATURE'S SUNSHINE[®] is proud to be the founding sponsor of Sunshine Heroes. As Nature's Sunshine Products celebrates its 45th anniversary in 2017, Sunshine Heroes would like to recognize NSP's significant accomplishment in making a difference in the lives of countless individuals across the globe. Transforming lives lies at the heart of Nature's Sunshine, and we look forward to partnering with NSP to do just that for children and families around the world for many more years to come. Generous support from NSP helps fund our humanitarian projects and covers all administrative costs, allowing 100% of individual donations to directly benefit children in need.

“Our partnership with Sunshine Heroes strengthens our commitment to transform lives around the world and gives greater purpose to our global network of distributors. We are proud to join with Sunshine Heroes to share health and wellness while improving the lives of children across the globe.”

Greg Probert

CEO & Chairman · Nature's Sunshine Products

CORPORATE PARTNERS

CALLED TO SURF

entrata

vivint.

Corporate Partnerships

Sunshine Heroes is proud to offer a partnership program that benefits corporations and developing communities alike. We help companies develop corporate giving programs that lead to a purpose-driven workforce. A partnership with Sunshine Heroes improves workplace morale, strengthens professional branding through cause marketing, and unites co-workers as a team. Together, we can explore options that result in strong corporate citizens within our communities. Let us customize a unique partnership model that works for your business and its stakeholders.

As part of our corporate partnership program, Sunshine Heroes organized its first-ever SHF Golf Invitational Classic in September 2016. Dozens of local companies and business owners joined us for a beautiful morning on the course at Thanksgiving Point. Thanks to more than 120 participants, plus generous donors, we raised more than \$80,000 for our global projects! Be sure to join us for the 2nd annual SHF Golf Invitational Classic on August 30th, 2017.

Event Sponsorship

Participate in a fundraising event. Choose to be an event sponsor, purchase tickets or seats, invite others to attend, or donate auction items and packages.

Expeditions

Volunteer at a project site and witness the impact of our work firsthand. Form a global expedition with us and allow employees to participate in our mission.

Program Support

Support field projects around the world. Fund programs for children, provide water to villages, or purchase medical equipment to those with limited access.

Payroll Deduction

Encourage employees to contribute to Sunshine Heroes through a company-endorsed cause. Make a greater impact in the world through corporate matching.

**WE'VE IMPACTED THE LIVES
OF OVER 400,000 CHILDREN
AROUND THE WORLD.**

Global Impact

China

Our water filters continue to provide clean drinking water to more than 30,000 children throughout schools in the Zhongwei region.

Mali

In 2016, we provided an academic grant that purchased brand new textbooks and classroom desks for 125 students attending school.

Panama

Our Sunshine Center served the more than 300 children on Bastimentos Island in 2016. Teachers and volunteers provided tutoring services, afterschool activities, mentorship programs, and summer camps.

Nicaragua

Our Sunshine Center served Ojochal, Miravalle, and Torevenado during 2016. Local teachers provided art and business classes to more than 500 residents, while select women participated in the microloan program.

A photograph of two women working in a field. One woman in the foreground is wearing an orange t-shirt and denim shorts, leaning over a concrete structure. Another woman in the background is wearing a pink jacket and a white cap, smiling. The field is filled with green grass and trees, and there is a concrete structure being built.

Dominican Republic

Dominican Republic

BAYAGUANA 2016

In November of 2016, the Sunshine Heroes team embarked on its annual service expedition, this time to the Dominican Republic! We teamed up with Lift-A-Life to build our 9th Sunshine Children's Center in rural Bayaguana, a charming town northeast of Santo Domingo. With a group of 20 determined volunteers, we painted the entire center (inside and out) and installed a concrete fence, working alongside local residents and families the entire week. The humid climate and afternoon sun couldn't deter us as we painted exterior walls, hauled cement buckets, and danced with local kids!

On November 10th, this newest Sunshine Center opened to the public as we joined together with local families for a festive inauguration! Nature's Sunshine representatives and government officials were present for the celebration. One of our beloved participants, Dr. Julissa Hernandez, shared her thoughts with us following the trip: "My soul is overwhelmed and filled with the gift of love and service to those in need. I feel so honored to be able to donate to this life-changing foundation from its very beginning. Thanks, Sunshine Heroes, for allowing me to be a part of this beautiful family!"

Moving forward, this center will provide vocational classes and health trainings to hundreds of families in need. With four spacious classrooms, and a new medical clinic next door, our Sunshine Center in the Dominican Republic will be a refuge for those seeking new knowledge and skills. We are excited for the positive impact this will have on more than 3,000 people each month!

Impact One,
Impact Generations

Financials

Sunshine Heroes Foundation works in partnership with field experts and international non-profits to sponsor meaningful programs that improve the lives of children. Thanks to generous contributions from Nature's Sunshine Products to cover all administrative costs, 100% of all individual donations are invested into our humanitarian projects around the world. We also leverage in-kind contributions of goods and services to further our impact.
